

Find Your Ring Size

BEFORE CHECKING YOUR SIZE, CONFIRM THAT THIS DOCUMENT WAS PRINTED CORRECTLY.

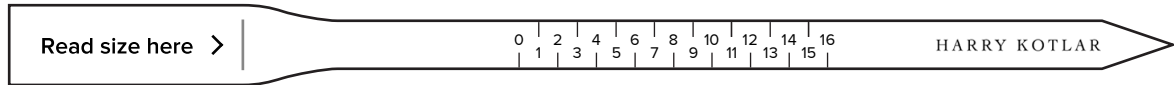

The above lines must measure 2 inches and 20 millimeters, respectively, in the printed document. If the measurements are off, set the scaling of your printer to "none" or default. Reprint document.

METHOD 1 MATCH RING SIZE

- 1 Compre a ring that fits your finger with the circles above. If the item you plan to purchase will be given as a gift, use the recipient's ring.
- 2 Check which circle fits the inner diameter of the ring. This is your ring size.
- 3 If you are between sizes, opt for the larger size.

METHOD 2 PRINT RING SIZER

- 1 Print this document and cut out the ring sizer above.
- 2 Make a vertical slit across the line beside the arrow. Insert the pointed end of the sizer into the slit, creating a paper ring. (See illustration below)
- 3 Insert your finger into the paper ring and tighten by pulling the pointed end.
- 4 Check the number beside the arrow. This is your ring size.

The ring sizer's fit should be snug but comfortable.
